
RICOMET 2016

Risk perception, communication and ethics of exposures to ionising radiation

University Politehnica Bucharest

The Second International Conference on Risk Perception, Communication and Ethics of Exposures to Ionising Radiation will take place from 1st to 3rd of June 2016 in Bucharest – Romania.

The conference is organized under the auspices of the four Euratom Projects: EAGLE, OPERRA, PLATENSO and CONCERT and intends to continue the dialogue started by RICOMET 2015 on social and ethical issues, as well as stakeholder and public participation in nuclear science, technology and innovation.

The focal points of this year are:

- Creating a Strategic Research Agenda on Social Sciences and Humanities in Radiation Protection
- Policy making related to different applications of ionizing radiation.

Details on the conference topics, dates for abstract and paper submission, venue and accommodation will be available on January 20th, 2016 on <http://ricomet2016.sckcen.be/en>
